

COVID-19 ISOLATION PROTOCOL

Agriculture Workers Camping On-Farm

*The employer has the responsibility to provide safe self-isolation accommodation if the worker is housed on-farm.

COVID-19 ISOLATION PROTOCOL

Appendix

Testing Site Information:

<https://news.interiorhealth.ca/news/testing-information/>
(for listing of all IHA testing sites)

Penticton: 250-770-3434
Kelowna: 250-469-6985
Grand Forks: 250-443-2120
Creston: 250-254-0482

Environmental Health Officer (EHO) Contact Information:

Weekday working hours: 1-855-744-6328
Saturday, Sunday, & Long Weekends **ONLY**: 1-855-851-4184

**Contact EHO ONLY if there are 3 or more potential cases on site.*

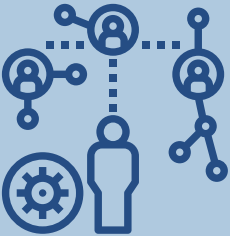

Support for Accommodation:

- If a farm does not have capacity to provide self-isolation on-site, as noted in their Infection Control Protocol, the IPC Coordinator will need to connect the worker with BCAC - WALI* 604-854-4454 extension 201 (after hours extension 202) for available hotel/motel accommodation.
- Employer is responsible to cover the cost of the hotel/motel.

*BCAC - WALI: British Columbia Agriculture Council – Western Agriculture Labour Initiative

Outbreak Scenario:

- The Public Health Act can be used as necessary to protect public health. Orders may be issued.
- Cross-sector collaboration will need to occur to safely manage the outbreak.
