

COVID-19 Isolation Protocol

Agriculture Workers Camping Off-Farm

COVID-19 Isolation Protocol

Appendix

Testing Site Information

<https://news.interiorhealth.ca/news/testing-information/>
(for listing of all IHA testing sites)

Penticton: 250-770-3434
Kelowna: 250-469-6985
Grand Forks: 250-443-2120
Creston: 250-254-0482

Environmental Health Officer (EHO) Contact Information

Weekday working hours: 1-855-744-6328
Saturday, Sunday, & Long Weekends ONLY: 1-855-851-4184

**Contact Environmental Health Officer ONLY if three or more potential cases in 72 hours.*

Support for Accommodation

- For those workers who need assistance with self-isolation accommodation should contact BCAC - WALI* 604-854-4454 extension 201 (after hours extension 202).
- Workers who cannot pay for all or some of their self-isolation will be assessed and assistance will be provided.

*BCAC - WALI: British Columbia Agriculture Council – Western Agriculture Labour Initiative

Outbreak Scenario

- The Public Health Act can be used as necessary to protect public health. Orders may be issued.
- Cross-sector collaboration will need to occur to safely manage the outbreak.
